FELTON ROAD

## Block 6 Chardonnay 2018

Central Otago, New Zealand

### Region and Vineyards

Block 6 is located in the renowned **Bannockburn subregion of Central Otago, New Zealand**, an area celebrated for its strikingly pure and expressive wines. This vineyard, planted in 1993, lies on a **north-facing slope** at an elevation of **282 to 300 meters**, just south of Block 5 within The Elms estate.

Its higher elevation and steeper slope ensure maximum sunlight interception, while the site's **wind exposure** and schist soils contribute to the wine's structural complexity and minerality. With a certified **biodynamic and organic approach (Demeter)**, Felton Road implements sustainable practices such as cover cropping, manual canopy management, and hand-harvesting, resulting in optimal vine balance and fruit quality.

### Winemaking

The **2018 vintage** was shaped by an extraordinary growing season, beginning with warm conditions followed by a cooler and wetter February that slowed ripening and balanced the fruit. The **Mendoza clone Chardonnay** was **whole-bunch pressed** and allowed to settle overnight before being gravity-fed into seasoned **French oak barrels**.

Fermentation occurred naturally with **indigenous yeasts**, followed by a full **malolactic fermentation** that developed texture and depth. The wine aged for **16 months in barrel**, without the influence of new oak, to preserve the vineyard's character. True to Felton Road's ethos, the wine was **not fined or filtered**, ensuring purity and authenticity.

### Tasting Notes

- **Color:** Bright golden hue with luminous reflections.
- **Aroma:** Aromatic layers of **elderflower** and **ripe stone fruits**, complemented by a distinct minerality and subtle hints of cool, fresh air.
