### Region and Vineyards

Old Vine Zinfandel 2021 is sourced from **exceptional vineyards across Sonoma County**, including sites in the **Dry Creek and Alexander Valleys**. The vines used for this wine average **75 years old**, qualifying under Seghesio's definition of "Old Vine," which specifies a minimum of 50 years. These mature vines yield lower quantities of fruit but offer exceptional intensity and complexity.

The 2021 growing season featured limited water supply due to irrigation restrictions, but moderate weather allowed grapes to ripen slowly, preserving acidity and enhancing flavor concentration. This vintage is noted for its vibrant character and balance, reflecting the resilience of the old vines and Seghesio's commitment to sustainable viticulture.

### Winemaking

The grapes for Old Vine Zinfandel 2021 were **hand-harvested and meticulously sorted** to ensure optimal ripeness. After light crushing, fermentation took place in **small open-top stainless steel tanks** with gentle **pneumatic punchdowns** to extract color and flavor while preserving freshness.

The wine was aged for **15 months** in oak barrels, including **13% new French oak** and **87% neutral French and American oak**, allowing the wine's rich fruit and savory complexity to integrate seamlessly. The blending process includes **87% Zinfandel, 10% Petite Sirah, 2% Carignane, and 1% Alicante Bouschet**, adding depth and structure.
