Santa Barbara Pinot Noir 2022

California, USA

Region and Vineyards

Santa Barbara County is one of **California's premier Pinot Noir regions**, benefiting from a **cool, maritime-influenced climate** that extends the growing season. The **unique east-west orientation** of the valleys allows fog and ocean breezes to moderate temperatures, preserving freshness and complexity in the wines.

This Pinot Noir is sourced from **six exceptional vineyards** across two appellations: **Bien Nacido, Rancho Real, Rancho Ontiveros (Santa Maria Valley), Rancho La Cuna, Kick On, and Los Alamos (Santa Barbara County)**. These vineyards feature a mix of **sandy loam and clay-rich soils**, which contribute to the wine's structure and depth. The diverse terroirs bring a **harmonious balance of bright acidity, rich fruit, and fine tannins**.

Winemaking

The winemaking process follows **time-honored, traditional techniques**. The grapes are **hand-harvested and fermented in small lots**, ensuring precise control over extraction and flavor development.

Fermentation is carried out with **daily manual punch-downs**, enhancing color and tannin integration. The wine is then **aged for 12 months in François Frères French oak barrels**, with **10% new oak**, allowing for subtle oak influence while preserving the purity of the fruit.

Robert Parker (RP) : **93 Points** (2018)

"I first made Oregon wine under the Au Bon Climat label in 1984," says Jim Clendenen. "This is from the first plantings at Larry Stone's new place with Dominique Lafon, Lingua Franca." Pale ruby-purple, the 2018 Pinot Noir Oregon offers a nose with concentrated aromas of liquid licorice, warm blackberries, star anise and exotic spices with touches of rosewater coming through—so layered! In the mouth, it's medium-bodied with slowly opening perfumed fruits in a chalky, super fresh frame, and it finishes layered and nuanced. Give it another year or two in bottle. 790 cases produced.
