SHAW + SMITH

Pinot Noir 2022

Adelaide Hills, Australia

Region and Vineyards

The **Adelaide Hills** in South Australia offers an ideal cool-climate environment for growing Pinot Noir, with its high altitudes and extended growing season contributing to wines of finesse and elegance. The 2022 growing season was cooler than average, influenced by the **La Niña** weather pattern. This cooler start resulted in a smaller fruit set and a later ripening period, while a mild summer allowed the grapes to develop complex flavors and retain their natural acidity. Shaw + Smith's vineyards in **Balhannah, Lenswood, and Piccadilly** total **59 hectares** and are carefully managed to support vine health and high fruit quality.

By the end of the season, the grapes were fully ripened thanks to a series of well-timed showers and consistently mild conditions. This balance of cool temperatures and gradual ripening gives the 2022 Pinot Noir its signature freshness, structure, and aromatic profile, with earthy, floral, and spice notes that showcase the Adelaide Hills terroir.

Winemaking

Shaw + Smith's winemaking approach for the 2022 Pinot Noir is focused on gentle handling and a meticulous selection process to enhance the fruit's natural character.

Hand-picked grapes are sorted twice—first as whole bunches and then after **80% destemming**, to discard any underripe or imperfect berries. The remaining fruit undergoes a **slow and gentle fermentation**, emphasizing delicacy and allowing a gradual extraction of flavors and tannins.

The wine then ages in **French oak barrels** for approximately **8 months**, which imparts subtle hints of spice while preserving the wine's freshness and aromatic purity. This approach maintains the delicate balance between structure and elegance, highlighting the vintage's nuanced fruit profile and the Adelaide Hills' cool-climate character.

Robert Parker (RP) : 90 Points (2022)

The 2022 Pinot Noir is incredibly aromatic on the nose, with sweet strawberry and cherry, layers of red apple and spice and lashings of abundant fruit. The wine is spicy and luscious, with loads of flavor up front that gently spools out through the finish, which is spicy, with some garden mint, clove and licorice nuances laced throughout. 13.5% alcohol sealed under screw cap.

James Suckling (JS) : 95 Points (2021)

A beautifully crafted pinot, as always, with focused fruit, subtle undertones of cedar and leather and hints of foie gras. It's full-bodied, but not heavy, with plenty of tension and focus. Bright acidity with depth and length. Impressive.

Wine Enthusiast (WE) : 93 Points (2021)

An elegant and gentle expressive Pinot with plump red and blue fruit underscored by subtle floral, hoisin and a myriad dried herbs, leads to a silky, mid-weight palate. There's lovely balance, structure and depth of flavor, here, with fine, chalky tannins.
