Region and Vineyards

Hailing from the iconic **Rutherglen region** in **Victoria, Australia**, this wine is crafted from the **Muscadelle** grape, a lesser-known white Bordeaux variety. The **continental climate** of Rutherglen, with its hot days and cool nights, enables late harvesting, ensuring maximum ripeness and the concentration of sugars.

The grapes are typically harvested in **mid-April to early May**, with sugar levels exceeding **16° Bé**, a hallmark of Rutherglen's fortified wine style. These carefully managed vineyards form the backbone of the **Old Vine Muscadelle**, delivering fruit with exceptional intensity and complexity.

Winemaking

Old Vine Muscadelle is a testament to Chambers Rosewood's commitment to quality and tradition. Key winemaking details include:

- Grapes are harvested late in the season, crushed, de-stemmed, and pressed.
- A **minimal fermentation** (less than 1° Bé) is conducted, preserving the variety's primary fruit characters. The must is then fortified with **neutral grape spirit** to achieve a final alcohol level of **17.9%**.
- Aging occurs in a **modified solera system** established in the late 20th century, with some base wine dating back to **1986**. The solera has three levels, including small barrels and larger casks, with careful barrel-by-barrel assessments ensuring quality and maturity.

The wine is bottled on demand, ensuring each release is at its peak.
