## Grande Reserve Red 2016

Bekaa Valley, Lebanon

### Tasting Notes:

Rich in minerals and saturated with Mediterranean character, this wine unleashes exuberant aromas of mature fruits and spices. Its concentrated taste is enrobed in a fine texture that gives it an attractive liveliness, while its rich and mellow yet always-complex palate lasts until the final touch of fruit.

Alcohol :13,50 %

Composition: 61% Syrah, 39%  
Cabernet Sauvignon

## Grande Reserve Red 2016

**Robert Parker (RP) : 90 Points (2012)**

*The 2012 Grande Reserve is a 60/40 blend of Syrah and Cabernet Sauvignon, aged for 12 months in a 60/40 mixture of new and second use French oak. It comes in at 13.5% alcohol. Livelier and fresher than the 2011, this is a more precise wine, although it lacks the mouth-coating richness of the 2011. The flavors are a bit more youthful, and the fruit has a little more lift to it. Of course, it is tinged with that Syrah beefiness. I'm wondering now if this will evolve as the 2011 did, settling down, putting on a little weight and becoming more impressive. It just might. Certainly, the 2011 shows better right now.*
