Estate Pinot Noir 2020

California, USA

Region and Vineyards

This Pinot Noir originates from the **Carneros AVA**, a cool-climate region at the southern edge of Napa and Sonoma, where proximity to San Pablo Bay delivers foggy mornings and maritime breezes. These conditions moderate temperatures, slow ripening, and preserve the grape's **natural acidity and delicate aromatics** - ideal for Pinot Noir.

Domaine Carneros cultivates **six sustainably certified estate vineyards**, each within a few kilometers of the château. With over **twenty distinct Pinot Noir clones** planted across varied soils and exposures, the estate builds a layered and complex profile through clonal diversity. This "mosaic" of fruit sources allows the winemaker to draw from parcels that bring **structure, spice, earth, and fruit purity**, offering a wine that reflects both the **precision of site selection** and the signature finesse of Carneros Pinot Noir.

Winemaking

Crafted entirely from **estate-grown Pinot Noir**, this cuvée was harvested at optimal ripeness (24.0–24.8° Brix) and fermented to preserve fruit character and site expression. The wine was then matured for **10 months in French oak**, one-third of which was new, lending well-integrated spice and textural richness.

Winemaker **TJ Evans** carefully selects oak to enhance earth and spice nuances without overshadowing the fruit. The final profile balances **14.5% alcohol** with a **pH of 3.63** and a moderate **acidity of 0.58 g/100 ml**, delivering both structure and plushness.
