### Region and Vineyards

The grapes for Gloria Ferrer's Blanc de Noirs come from **Carneros**, an appellation straddling the southern tip of Sonoma and Napa counties, defined by its **proximity to the San Pablo Bay**. The cool, maritime-influenced climate is particularly suited to the early-ripening Pinot Noir grape, which flourishes under the alternating foggy mornings and sunlit afternoons. These conditions help preserve acidity and intensify aromatics—key for méthode traditionnelle sparkling wines.

On the estate's Carneros property, **over 21 different clones of Pinot Noir and Chardonnay** are cultivated. This clonal diversity adds both aromatic complexity and structural refinement. The combination of low-yielding vineyards, meticulous canopy management, and precision viticulture ensures vibrant fruit character and consistent quality across vintages.

### Winemaking

This cuvée is composed of **90% Pinot Noir and 10% Chardonnay**, all **hand-harvested** and gently **whole-cluster pressed** to preserve freshness and nuance. After a **cool stainless steel fermentation** (13–16°C), the wine undergoes secondary fermentation in bottle and is aged **three years on the lees**, developing autolytic richness and creamy texture.

With a dosage of **12.6 g/L**, and a total acidity of **7.0 g/L** (pH: 3.16), the Blanc de Noirs finds an elegant balance between fruit intensity and freshness. The **12.5% ABV** offers a seamless and approachable structure that remains vibrant and food-friendly.

### Tasting Notes

- **Color:** Light salmon-pink with brilliant clarity and persistent, lively bubbles.
- **Aroma:** Bright notes of wild strawberry and black cherry, laced with vanilla and subtle spice.
