FELTON ROAD

Calvert Pinot Noir 2019

Central Otago, New Zealand

Region and Vineyards

Calvert Vineyard lies in the heart of **Bannockburn**, Central Otago, just **1 km east of The Elms Vineyard**. The soils at Calvert are predominantly **deep heavy silts with a thin loess topsoil**, contributing to the wine's polished texture and mineral complexity.

Felton Road's vineyards are managed under **biodynamic and organic certification (Demeter)**. Practices such as **hand-thinning, leaf plucking, and bunch thinning**, along with the planting of cover crops, enhance vine health, control vigor, and improve soil biodiversity. This careful attention ensures fruit of exceptional quality. The **continental climate**, with warm days and cool nights, creates optimal conditions for the slow ripening of Pinot Noir.

Winemaking

The **2019 vintage** began with persistent rain throughout spring and early summer, nearly doubling the long-term average. This moisture proved beneficial, contributing to **healthy canopies** and small, loosely packed berries with thick skins and ripe seeds. The harvest began on **March 30** and concluded by **April 5**, producing fruit in perfect health and balance.

In the winery, the grapes were gently destemmed with **25% left as whole clusters**. After a **10-day pre-fermentation soak**, fermentation occurred naturally with **indigenous yeasts** in open-top fermenters, followed by regular hand punch-downs. The wine spent **23 days on skins** before being pressed and gravity-fed into barrels. Aging lasted **16 months in French oak (30% new)**, with no fining or filtration, to preserve its purity and structure.

Tasting Notes

- **Color:** A vibrant ruby red with brilliant clarity.
- **Aroma:** Intense floral notes of **violet** and **rose petal**, complemented by layers of **spice** and **earthy minerality**.
