Hawkes Bay, New Zealand

Region and Vineyards

Named after the owner's historical ties to Cornwall, the **Trelinnoe Vineyard** is part of Bilancia's project to highlight small, single-vineyard sites that bring out the best in **Hawke's Bay Chardonnay**. The site's combination of climate and soil creates a wine with a refined structure and layers of flavor.

The **Trelinnoe Vineyard Chardonnay** is crafted with a minimal-intervention philosophy. The grapes are **100% hand-picked** and then **whole-bunch pressed** to preserve the delicate fruit flavors. Fermentation is carried out with **indigenous yeasts** in **French oak barriques**, where the wine spends **11 months** aging, allowing it to develop texture and complexity.

There is **no fining or cold stabilization**, ensuring that the wine retains its natural character and purity. The careful use of oak is intended to balance the wine's fruit-driven profile without overpowering its freshness and minerality.

Robert Parker (RP): 96 Points (2021)

The 2021 Trelinnoe Chardonnay was tasted alongside the 2022, and this is such a valuable insight. This 2021 is tight and driven; it's really focused and precise. There's preserved citrus rind, beeswax, shavings of white chocolate, white pepper, cracked fennel seeds, hints of jasmine tea and laces of saline acidity holding it together through the finish. Superb wine. I love the flow and poise. Magic. 14% alcohol, sealed under screw cap. It was a warm year but not many days over 30 degrees Celsius, but there was a lot of sun, and the harvest was quick and early. This is an excellent end to a trio of superb vintages: 2019, 2020 and 2021.

James Suckling (JS): 95 Points (2021)

Very complex with nougat, brioche, cooked apple, and white peach aromas and flavors. Full yet fresh. Layers of fruit and toasted oak character. Long, long finish. Terrific white. Drink or hold.
