Region and Vineyards

The **Faset vineyard**, located in the municipality of Barbaresco, spans **1 hectare** on a hilltop at an elevation of **210-270 meters above sea level**, with a **southwest exposure**. Planted in **1965**, the vineyard's soils consist of **greyish-white calcareous marl** interspersed with **sand veins**, rich in **magnesium** and **manganese**, imparting complexity and minerality to the wine.

The vines are cultivated using the **Guyot method**, with approximately **4,500 vines per hectare**. Summer thinning reduces yields to **6-7 bunches per vine**, ensuring concentrated fruit and high quality. The vineyard is certified under the **V.I.V.A Sustainable Wine** program, emphasizing environmentally conscious practices.

Winemaking

The **growing season** began with a mild winter and dry early spring, but the rainy months of May and June slowed vegetative growth while replenishing water reserves. A moderate summer led to a warm, dry September, ideal for slow ripening and tannin development. The harvest of **perfectly ripe and healthy grapes** took place on **October 1**, marking an exceptional vintage.

After manual harvest, the grapes were fermented for **17-18 days** in **55-hectoliter oak vats** using a gentle **"shower" system** to wet the cap at controlled temperatures between **30°C and 27°C**. Malolactic fermentation occurred in vats, followed by **18 months of aging in large oak casks** and a further refinement in bottle, for a total maturation of at least **2 years**.

Wine Enthusiast (WE) : 94 Points (2020)

Pure and vibrant aromas of cranberry and wild strawberry lift from the glass as hints of thyme, forest floor and crushed chalk slowly surface. The palate's core is defined by the electric and vivid wild red-fruit flavors that zoom in and out of focus as savory and earth elements provide counterbalance while superfine tannins hold the wine together, finishing with a charm and finesse.

Robert Parker (RP) : 93 Points (2020)

The Michele Chiarlo 2020 Barbaresco Faset delivers a pretty ensemble of wild berry or raspberry aromas with rose, lavender bud, light cinnamon stick and licorice root. These various elements are well integrated and balanced, showing smoothly over a polished, mid-weight mouthfeel.
