Washington, USA

Region and Vineyards

The **Red Mountain AVA** is Washington State's smallest but most celebrated appellation, renowned for producing structured, intensely flavored wines. Located in the southeast corner of the Yakima Valley, Red Mountain benefits from a warm, arid climate with long sunny days and cool nights, creating ideal conditions for Cabernet Sauvignon.

The volcanic soils of the region, rich in nutrients but with excellent drainage, encourage low yields and concentrated berries. The growing season featured warm days and cool nights, allowing the grapes to ripen fully while preserving their natural acidity and aromatic complexity. This vintage offers a balance of ripeness, vibrancy, and intensity unique to Red Mountain.

Winemaking

Canvasback Cabernet Sauvignon is a blend of **84% Cabernet Sauvignon, 10% Merlot, 3% Petit Verdot, 2% Syrah, and 1% Malbec**, reflecting a thoughtful approach to blending for depth and nuance. The grapes were handpicked and meticulously sorted to ensure optimal quality.

Following fermentation, the wine was aged for **20 months in 100% French oak barrels**, with **40% new oak** and **60% neutral oak**. This careful oak regimen added layers of complexity, including subtle notes of hazelnut and cocoa, while enhancing the wine's structure and elegance.

Blackcurrants, brambleberries, toasted walnuts, spice box, sandalwood and dried flowers on the nose. It's medium-to full-bodied with firm, fine-grained tannins and fresh acidity. Structured and precise with tight layers of dark fruit and spice. Focused.

Robert Parker (RP) : 91 Points (2018)

The 2018 Red Mountain Cabernet Sauvignon starts with a firm, dusty and juicy nose with aromas of tasty black cherry, wilted lavender and roses with elements of redcurrants and crème de cassis. Medium to full-bodied, the palate is juicy and features dusty tannins, with flavors of black plum and juicy black Raspberry skin across the mid-palate. The Cabernet concludes with firm, tannic edge and a lingering flavor of crème de violette.
