Winemaking

The **hand-harvested grapes** undergo a carefully controlled fermentation to achieve a balance between structure and fruit expression.

Aging lasts **13 months**, with **60% of the wine spending time in oak barrels** to enhance texture and complexity. This slow maturation process refines the tannins while developing notes of spice and toast, complementing the wine's rich fruit profile.

Tasting Notes

- **Color:** Deep ruby with vibrant clarity.
- **Aroma:** Ripe cherry, blackberry, subtle spice, and hints of leather.
- **Palate:** Juicy red and black fruit, structured tannins, warming spice, and a lingering finish.

Did You Know?

Lodi's **Mokelumne River AVA** is known for its century-old Zinfandel vines, producing wines of great depth and character. The **Boneshaker vineyards date back over a century**, contributing to the wine's rich, concentrated profile.

Wine Pairing Ideas

- **BBQ ribs** – The wine's fruit intensity pairs perfectly with smoky, caramelized flavors.
- **Tri-tip steak** – The tannins balance the juiciness of the meat.
- **Grilled vegetables** – The wine's spice and structure enhance roasted flavors.
