## Riesling Ried Steinmassl 2019

Kamptal, Austria

### Region and Vineyards

The **Ried Steinmassl** vineyard is located in the prestigious **Kamptal DAC**, in the Niederösterreich region of Lower Austria. Positioned on a **high plateau**, Steinmassl borders other top vineyard sites and benefits from elevations ranging from **300 to 340 meters** above sea level.

The subsoil is primarily **paragneiss and mica schist**, contributing to the wine's signature minerality and precision. This ancient bedrock is often covered with diverse layers of **loess, loam, and sand**, providing excellent drainage and balance between fruit concentration and freshness.

In the past, the site was dedicated to early-ripening varietals. However, with the warming climate, **Riesling** and **Chardonnay** have flourished, achieving outstanding results and expressing the vineyard's unique personality.

### Winemaking

The grapes for **Ried Steinmassl Riesling** are harvested **by hand** with great care to preserve their quality and aromatic potential. After harvesting in **October**, the fruit undergoes several hours of **skin contact**, which enhances texture and flavor extraction.

The must is gently pressed and allowed to ferment **spontaneously** in **stainless steel tanks**, ensuring a pure and unadulterated expression of the fruit and terroir. The wine is matured in stainless steel and neutral large oak barrels to maintain its freshness while allowing subtle complexity to develop.

Bottling occurs in **March** of the following year, capturing the wine's vibrancy and elegance.

### Robert Parker (RP) : 95 Points (2019)

*The 2019 Ried Steinmassl 1ÖTW Kamptal Riesling opens clear, intense and snappy on the nose, quite open and with floral fruit aromas but also a very ripe and dried raisin aroma intermingled with crystalline (para-gneiss and amphibolite) and black pepper notes. Dense and juicy on the palate, this is a concentrated, firmly structured, crystalline, very elegant and tensioned Riesling with a dried stone fruit aroma and very firm phenolics. A wine to age for at least 5-6 years. There are crunchy tannins on the finish that might come from the reduction rather than the pressing, which was whole clusters and pressed at 6 p.m. when they started to fill at 11 a.m. Picked on October 17th. 12.5% alcohol. Tasted at Schloss Gobelsburg in June 2021.*

### James Suckling (JS) : 95 Points (2019)

*At once intense and mellow, which is a weird thing to write, but this is a special wine. Delicate white-fruit aromas. Excellent structure and racy minerality make this really exciting. Very long, crystalline finish that promises a very long life. Drink or hold.*
