The result is a powerful yet refined wine with a lengthy finish, showing well-balanced oak influence.

### James Halliday (JH) : 96 Points (2018)

*A magnificent Tally. The fruit has a great depth of flavour and the X-factor that any Reserve should. Deep and fragrant, with a brightness of fruit not always obvious in this flagship. Coffee grounds and dark chocolate, studded with mint and hazelnuts. Fuller bodied with fine, gravelly tannins that give texture as much as definition. It needs more time but, wow, it will reward big time!*

### Robert Parker (RP) : 94 Points (2018)

*The 2018 The Tally Reserve Cabernet Sauvignon is led in majority by Cabernet Sauvignon (92%), with the balance made up of Petit Verdot. The wine was matured in French oak for 15 months (40% new). This has all of the density of tannin one expects from premium Coonawarra Cabernet, along with lifted violets, fine mineral graphite characters and loads of blue fruits. It is very spicy and good, but svelte too. I love the chew through the finish. It is long and lean.*
