Nelson, New Zealand

### Region and Vineyards

The **Moutere Hills** in **Nelson**, on New Zealand's **South Island**, are renowned for their **ancient clay-gravel soils**, which impart structure, concentration, and fine minerality to the wines produced here. The **Home Block vineyard** is the original vineyard of **Neudorf Vineyards**, established in **1978**, and is known for producing exceptional fruit that translates into wines of remarkable depth and longevity.

Nelson's **maritime climate**, with long sunny days and cool nights, provides ideal conditions for growing **Chardonnay**. The region's natural balance of warmth and coolness allows for a slow ripening process, which enhances the wine's vibrant acidity and complex fruit flavors.

### Winemaking

The **Neudorf Home Block Moutere Chardonnay** is crafted with a focus on preserving the purity and intensity of the fruit. The grapes are **hand-harvested** and undergo a **wild fermentation** with indigenous yeasts. The wine is then aged in **French oak barrels** (with a portion in new oak) for **12 months**, allowing it to develop layers of texture and flavor without overwhelming the natural characteristics of the fruit.

During the aging process, the wine rests on its **lees** to build richness and complexity, while maintaining its signature freshness and acidity. The result is a wine that balances ripe fruit flavors with elegant oak integration and a fine mineral backbone.

### Tasting Notes

- **Color:** Pale gold with brilliant clarity.
- **Aroma:** Delicate aromas of **white peach**, **citrus blossom**, and **brioche**, with subtle hints of **hazelnut** and wet stone.
- **Palate:** A richly layered palate featuring flavors of **ripe stone fruits**, **lemon curd**, and **toasted almonds**, underpinned by a refreshing minerality. The creamy texture from lees aging is perfectly balanced with vibrant acidity.
- **Finish:** Long and precise, with a lingering mineral finish and a touch of oak spice that enhances the wine's complexity.

### Robert Parker (RP) : 94 Points (2019)

*One of New Zealand's most consistently reliable, top-notch Chardonnays, the 2019 Home Block Moutere Chardonnay comes from vines planted in 1978. Barrel fermented and aged in 15% new French oak, it offers up scents of toasted grain and baking spices but backs those with impressively concentrated notes of white peach, pineapple, pear and lime. Those elements all merge seamlessly on the medium-bodied palate, which is plump and generous yet streamlined, with terrific line and length on the silky-textured finish. (6/2021)*

### James Suckling (JS) : 94 Points (2019)

*A very composed, complex chardonnay with aromas of peach, pear, lemon and hazelnut. Some honey and fresh bread dough, too. The palate is so powerful and tightly wound. Intense, vibrant peaches and lemons hold very long, ahead of the toasted-hazelnut finish. From organically grown grapes. (2/2020)*
