Napa Valley Cabernet Sauvignon 2019

California, USA

Region and Vineyards

Pine Ridge's 2019 Cabernet Sauvignon is drawn from **multiple estate sites across Napa Valley**, with a particular emphasis on their home in the **Stags Leap District**—a region revered for its combination of power and finesse in Cabernet expression. Additional fruit comes from **Oakville** and **Rutherford**, appellations that bring structural backbone, dark fruit character, and lifted aromatics, enriching the final blend with layered complexity.

The estate farms **160 acres of vineyards**, with 47 located in Stags Leap. The 2019 growing season began with a **cool, wet spring**, delaying budbreak and extending the ripening timeline. A stable summer followed, free of extreme heat, leading to a **long, balanced maturation period**. The combination of warm autumn days and cool nights in Napa ensured **optimal ripeness with preserved acidity**, producing fruit with concentration, depth, and vibrancy.

Winemaking

The fruit was **hand-harvested at night** between September 20 and October 26 to retain freshness and avoid premature fermentation. Meticulous vineyard sorting ensured only the finest berries reached the cellar. After destemming, a cold soak was conducted to extract gentle color and aroma before **high-temperature fermentation** was initiated to achieve full flavor and tannin integration.

The wine was matured for **18 months**, with 39% aged in **new American oak barrels** to develop spice and structure, while 61% rested in **neutral French oak** to preserve freshness and varietal purity. This dual approach to aging imparts depth without overshadowing the wine's vibrant fruit core. The final blend consists of **88% Cabernet Sauvignon**, **11% Merlot**, and **1% Petit Verdot**, resulting in a wine that is rich, balanced, and built for longevity.

Robert Parker (RP) : 93 Points (2018)

A barrel-sample blend of 95% Cabernet Sauvignon, 4% Petit Verdot and 1% Malbec, the 2018 Cabernet Sauvignon is very deep garnet-purple in color with vibrant wild blueberries, blackberries and boysenberries with red and black currants, bay leaves, lavender and cedar chest. Medium to full-bodied, the palate is vibrant and refreshing with a firm, grainy frame and lively finish. Barrel Sample: 91-93

Jeb Dunnuck (JD) : 91 Points (2016)

The only 2016 presented, the 2016 Cabernet Sauvignon Napa Valley spent 16-18 months in American oak and reveals a saturated purple color as well as a ripe, sexy style in its blackberry, plums, vanilla bean, and spice-laced aromas and flavors. Loaded with fruit, it still stays balanced and pure, with silky tannins and a great finish. I don't think it's going to make old bones, but it's a beautiful, pleasure-bent beauty.
