BURN COTTAGE

Moonlight Race Pinot Noir 2021

Central Otago, New Zealand

Region and Vineyards

This wine is a blend from three vineyard sites within the **Central Otago** region:

- **Burn Cottage Vineyard** (56%) in Lowburn, planted with a mix of Pinot Noir clones, including **114, 115, 777, 667, Abel**, and **10/5**, giving depth and complexity to the wine.
- **Sauvage Vineyard** (22%) and **Luna Vineyard** (22%), both in **Bannockburn**, contribute fruit that adds layers of spice, structure, and earthiness. Each site benefits from Central Otago's **continental climate**, which features **warm days and cool nights**, allowing for slow ripening and retention of natural acidity.

This vintage experienced a warm, dry spring, although some frost events required protective measures. Cool weather during flowering led to smaller crops in some blocks, while January brought significant rainfall, comprising a third of the annual precipitation. From February, conditions stabilized, with warm, dry weather leading up to harvest. This allowed the grapes to ripen fully, resulting in a wine of balanced concentration and freshness.

Winemaking

The **Moonlight Race** was crafted using a mix of **7% whole clusters** to introduce additional complexity and structure. The wine spent an average of **17 days in fermenters** to ensure gentle extraction of tannins and color. It was then aged for **11 months** in **22% new French oak barrels**, sourced from renowned cooperages including **Damy, Mercurey, and Sylvain**.

This wine is a blend of various Pinot Noir clones: **CL 5, 115, 114, Abel, 777, and 667**. The combination of these clones and the three vineyard sites provides a layered, nuanced wine with both richness and finesse.

James Suckling (JS) : 95 Points (2021)

Lots of boysenberry and strawberry aromas and flavors with an underlying smoky and mineral edge. It's full and layered with beautiful tannins and a long and flavorful finish. A little tight at the end. Gorgeous and curated.

Robert Parker (RP) : 93 Points (2021)

The 2021 Moonlight Race Pinot Noir is a blend of three different vineyards and multiple blocks and clones (56% is Burn Cottage in Lowburn, 22% is Sauvage Vineyard and 22% is Luna Vineyard in Bannockburn). On the nose, there is fresh red cherry, plum skin, raspberry pip and brine. The tannins are super fine in the mouth—pulverized and chalky. This is a gorgeous wine, mineral and cooling, with a svelte shape and satisfying flow of flavor across the tongue. Great! And, it must also be said, great value. 13.5% alcohol, sealed under screw cap.

Wine Spectator (WS) : 96 Points (2020)

*Aromatic, succulent, fresh and distinctive, with fleshy black cherry, blueberry and marionberry flavors at the core—but that's just the beginning, as details of fresh clove cigarette, white truffle, chai, dried lavender and a whiff of sandalwood emerge on a delicate, juicy frame, with the tannins lingering in the background. *
